Dennis Reis clinics scheduled for Midwest

Horseman Dennis Reis has scheduled clinics and four presentations in the Midwest in September and October. Reis presents educational and entertaining demonstrations built around finding extraordinary performances within ordinary horses, and helps to understand the horse/human bond. His clear, methodical training helps form habits and practices you and your horse will always use. Skills are mastered without employing artificial restraints or mechanical devices.

Reis explains herd dynamics, and creates an invisible round pen. Using the relationship between horse and human, he ground-schools one horse from the back of another

mount - directing the movement of both horses. Then the horse is desensitized and taught not to fear a six-foot red ball, flapping laundry, sirens, flares and other distractions. Watch flying lead changes, jumping obstacles and running patterns during a bridle-less demonstration.

In the Midwest, those clinics are scheduled for:

- September 11, 6 p.m. to 11 p.m., Mississippi Valley Fairgrounds, Davenport, Iowa
- September 16, 6 p.m. to 11 p.m., I-90 Expo Center, Sherburne, Minnesota
- September 18, 6 p.m. to 11 p.m., Wisconsin Fairgrounds, Milwaukee (West Allis), Wis-

consin

- September 22, 6 p.m. to 11 p.m., Gordyville USA, Rantoul, Illinois
- September 25, Hoosier Horse Park, Edinburg, Indiana
- October 21, Midway Expo Center, Columbia, Missouri

Tickets are \$65 booked in advance; advance bookings of groups of five or more are \$36; at the door - \$100. Children under 12 are free. Tickets are available online at www.reisranch.com/day-of-the-horse-seminar.htm
